BYLAW CHANGE

MOTION: To amend Article V- Meetings, by inserting Section 6

SECTION 6 - Attendance

Members of the Intergroup, as defined in Article III may attend either in person or virtually, and be recognized equally.

SUBMITTED BY: Bob Sachs

INTENT: To clarify that members who attend electronically have the same rights as members who attend in person.

IMPLEMENTATION: Update Bylaws

COST: 0.00

RATIONALE: We allow members to attend and vote via the phone bridge, but we set the requirement that they be physically present to run for a position. This could prevent a viable candidate from being considered for a position.
